

Dr. Patrick Melese DVM, Dip ACVB (Behavior)
Veterinary Behavior Consultants

BEHAVIOR PATIENT REFERRAL

This will introduce my client: _____
and patient named: _____
Referred by Dr.: _____
Practice: _____
Address: _____
City: _____
Phone Number: _____ Date: _____
Fax number: _____ e-mail: _____

Doctor: Please give a brief history of the case you are referring including duration of problem, relevant signs observed, observations, laboratory results, radiographic results, significant treatments received, diet, etc.

Suggestions and comments (if any) by Referring Veterinarian:

Dr. Melese is seeing cases by appointment through his private practice at the Animal Specialty Group in San Diego and selected cases by housecall.

Please have client go to website then call the behavior office for an appointment: **Tel: (858) 259-6115**

After Dr. Melese sees your case we will send (e-mail or FAX) letter summarizing findings & plans.

Please check one option below (default will be option 1 if no checks)

- 1. The fax will be sufficient; I will call Dr. Melese if I have any further questions:**
- 2. Please also have Dr. Melese call me after he sees this referred case:**

Please feel free to call to discuss your case before or after the behavioral specialty appointment.
Thank you allowing me to help your client and patient with specialty behavioral services.
