Dr. Melese is seeing cases by appointment at his private practice in San Diego and a few by housecall.

Please have client go to website then call the behavior office for an appointment: **Tel: (858) 259-6115**

**After Dr. Melese sees your case we will send (e-mail or fax) letter summarizing findings & plans.**

**Please check one option below (default will be option 1 if no checks)**

- 1. The e-mail will be sufficient; I will call Dr. Melese if I have any further questions:**
- 2. Please also have Dr. Melese call me after he sees this referred case:**

*Please feel free to call to discuss your case before or after the behavioral specialty appointment.*  
Thank you allowing me to help your client and patient with specialty behavioral services.
