Dr. Melese is seeing cases by TELEMEDICINE appointment in San Diego during ongoing PANDEMIC.

Please have client go to website then contact behavior office for an appointment ([info@sdvetbehavior.com](mailto:info@sdvetbehavior.com))

**After Dr. Melese sees your case we will e-mail a report summarizing findings & plans.**

**Please check one option below (default will be option 1 if no checks)**

- 1. **The e-mail will be sufficient; I will call Dr. Melese if I have any further questions:**
- 2. **Please also have Dr. Melese call me after he sees this referred case:**

*Please feel free to call to briefly discuss your case before or after the specialty appointment.*

Thank you allowing us to help your client and patient with specialty behavioral medication services.
